

China Injection Moulding Bonded NdFeB Magnet Manufacturer, Supplier, Factory, Exporter

Positions: Products→NdFeB Magnet→Injection Moulding Bonded NdFeB Magnet

Injection Moulding Bonded NdFeB Magnet description: Injection NdFeB power is blended with a plastic material and injection molded. With High precision of size It can be made of complex shapes and also be bonded with other components. This kind of magnet can be magnetized in any directions and with multiple poles.
