

China Sintered NdFeB Magnet Manufacturer, Supplier, Factory, Exporter

Positions: Products→NdFeB Magnet→Sintered NdFeB Magnet

Sintered NdFeB Magnet description: Sintered rare earth magnets are manufactured by a powder metallurgical process which involves the sintering of powder compacts under vacuum. Magnets may be produced in large blocks for subsequent processing, or as tailor made components made die pressing. Coatings may be applied depending on the expected environment. ;j
