

China Sintered SmCo Magnets Manufacturer, Supplier, Factory, Exporter

Positions: Products→SmCo Magnet→Sintered SmCo Magnets

Sintered SmCo Magnetsdescription:

General Introduction:

>Made up by means of powder metallurgy

>Chemical composition: SmCo₅/Sm₂Co₁₇

>High property of anti-demagnetization

>Excellent property of temperature and anti-erosion

SmCo permanent magnets include SmCo₅ and SmCo₁₇. They have three principal characteristics;

stability, temperature resistance and strong rust-resistance.

They can work at up to 350j, are suitable for making high performance permanent magnet motors and some special environment products.
